Summary of references of harmonised standards published in the Official Journal – Regulations (EC) No 765/2008 and (EC) No 1221/2009 of the European Parliament and of the Council, Directive 2006/42/EC of the European Parliament and of the Council and Union acts incorporating the reference provisions of Decision No 768/2008/EC¹ of the European Parliament and of the Council

The summary below consolidates the references of harmonised standards published by the Commission in the *Official Journal of the European Union* (OJ). It reproduces information already published in the L or C series of the OJ as indicated in columns (2), (5) and/or (7). It contains all references which, when the summary was generated, still provided a presumption of conformity together with references already withdrawn from the OJ.

The Commission services provide this summary for information purposes only. Although they take every possible precaution to ensure that the summary is updated regularly and is correct, errors may occur and the summary may not be complete at a certain point in time. The summary does not as such generate legal effects.

This summary was generated on 4 December 2020.
