Further to a more extensive review of the concerned PSA schemes and the detailed provisions for their implementation, EA is considering that these schemes fall out of the application scope of EA-1/22. Indeed PSA is a public authority in Ireland and PSA schemes (28, 39, 42) are regulatory schemes. This is the reason why, even though there has been no opposition from any of EA NABs, **the PSA schemes (28, 39, 42) will not be part of the schemes reviewed and accepted by EA-member NABs.**
